Mr. John Gambling
Production Director
Radio Station WDBS
Hanover, N.H.

Dear Johnny:

Thanks for your letter of March 13th.

At the moment I am not too interested in any of the programs you mentioned. In the case of the Communist spy trial, I've allowed the news to become dead by delaying my reply to your last letter. As a matter of fact, we probably could use the ET'S of the women's singing groups, so if you can send them along, I'd appreciate it. We will naturally ship them back to you as soon as they are used.

I have heard rumors that our tape recorder will be here by the end of the week, but I still refuse to believe it until I see it. I imagine we'll have some sort of christening ceremonies, such as breaking a beeler over an input stage or something along those lines.

We are starting to service the Ivy Network with news and sports stories which we feel will be of interest on other campuses. You should be receiving releases from us pretty soon, with some sort of regularity, I hope. I would like to see all the stations getting something like this going. It pains me to read what Dartmouth fraternities are doing In the Yale Daily News.

Ifty prvieww, please send along the Seymour-Griswold

Cordially yours,

HE
